

LOGGING ON REMOTELY

Logging on remotely simply means logging on to a district computer somewhere other than your own school.

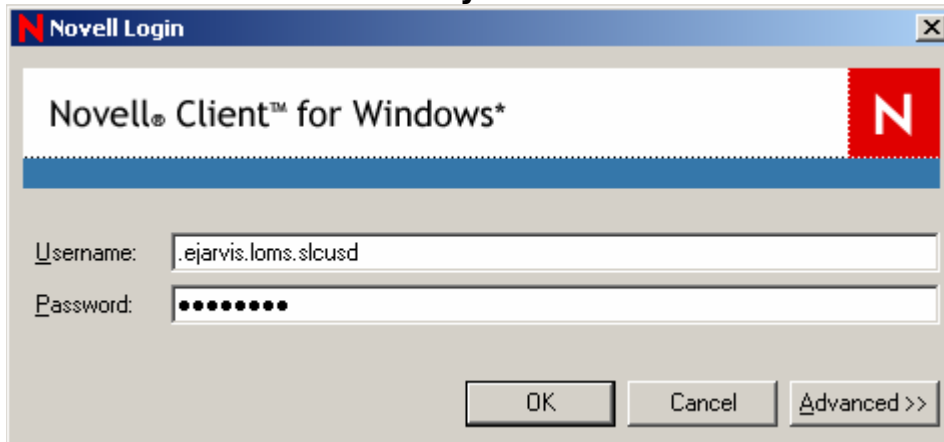

Procedure:

In the Username field, type a period, then your username, a period, school initials, period, slcUSD.

Imagine that Eric Jarvis teaches at Los Osos Middle School, and he wants to log in at Laguna. Here's what he'd do.

Username: .ejarvis.loms.slcUSD

Password: Same as always

School Initials:

Baywood = ba

Bishop's Peak = bp

Del Mar = dm

Hawthorne = ha

Los Ranchos = lr

Monarch Grove = mg

Pacehco = pa

Sinsheimer = si

C.L. Smith = sm

Teach = te

Laguna Middle School = lams

Los Osos Middle School = loms

Morro Bay High School = mbhs

Pacific Beach High School = pbhs

San Luis Obispo High = slhs
